**OCTOMBRIE 2020**

Anul 2020, un puternic virus a afectat întreaga omenire. A afectat și activitatea scolilor, însă nu a reusit să ne inchida sufletele și imaginația... astfel că, am pornit optimiști la drum în noul an școlar 2020-2021, iar primul proiect lansat a fost cu ocazia lunii internaționale a bibliotecilor școlare (octombrie).

Au lucrat elevi din clasele: VI C, VII B, VIII A, îndrumați de doamnele diriginte.

În derularea proiectului am avut ca partener **Asociația Bibliotecarilor din România**.
